Dear Dick:

With regard to the house trailer requested in your letter of 25 July 1955, we will provide the trailer as you desire, charging the costs thereof to Contract SP-1913. We estimate that this item will cost approximately \$8,000. Inasmuch as we had eliminated, per our letter to you dated 31 May 1955, the estimate of \$80,000 based on the original trailer concept, the \$8,000 now becomes an addition to the estimated cost of changes. No revision of the contract price is necessary at this time as a result of this change, however.

Sincerely,

Kelly
